

THE BREMERTON NORTHERN MODEL RAILROAD, INC

c/o Bill Hupe, 3010 Austin Drive K201, Bremerton, Washington 98312

Dear Model Railroading Friend,

Thank you for considering us as your hometown model railroad club. It makes no difference if you're a beginner or expert or where your interests lie. It is not important for you to have motive power (engines) or rolling stock to run (we have plenty). All we ask is that you have a genuine interest in railroads, model railroading, or modeling and a strong desire to share these interests with others.

The Bremerton Northern Model Railroad Club is the parent corporation of multiple scale model railroads. Currently the HO Division, The Kitsap Western (KW) Division, is our only operational division. The KW is a sectional HO scale layout based on no specific prototype. We set up and show it several times a year throughout Western Washington. We are currently in the final construction phases of our "new" layout. We recently started a N-TRAK Division. It is still in the planning stages.

There are various types and classes of club memberships available. The types are Regular and Junior (ages between 10 and 18) and the classes are Member, Family Member and Student Member. Because we are a NMRA 100% Club, our memberships include a NMRA membership. Are you already a NMRA Member? No problem, rates will be adjusted.

Monthly Business meetings are held on the first Monday of each month. (*If the first Monday is a holiday, then the meeting day is on the second Monday of the month.*) Additional Work Parties will be held and announced at monthly meeting or via an email.

Upon receipt of your completed application, and submittal of joining and membership fees, your name will be entered on the Club's roster, your NMRA membership submitted, and you will begin receiving our monthly newsletter, The Flimsy Board.

At the first meeting you attend, you will be asked to introduce yourself, tell the members a little about yourself including modeling interests, scale in which you model, if you have a home layout, and prototype(s) you model or are interested. You will receive a welcome pack that includes a letter of welcome, an overview of club history, a current copy of the yearly calendar, information about our current layout, and a copy of BNMR club's Articles of Incorporation, By-Laws, House Rules.

Would you like to bring a spouse, son or daughter into the BNMR with you? Your spouse can become a Regular Member. You may sponsor your children (ages 10 -18) as Junior Members.

Any questions? Ask a member. They would be more than happy to answer them. Or give me a call.

Your Friend in Model Railroading....

Bill Hupé

Secretary, BNMR (360.621.5041)
